In the event that the State Legislature and the Governor mandate State Holidays which are not listed on the above calendar, these days would be celebrated and added to the make-up days.

In the event that any of the above dates are not mandated by the State Legislature, Governor or State Department of Education, then schools could be open and all employees shall be expected to report for work.

On any day of early dismissal, should it be necessary for the district to have a delayed opening, the early dismissal will be canceled and departure time from the schools will be as on a normal school day.
