### **MRS. DAWN SCHWARTZ'S CLASS**

#### **EISENHOWER SCHOOL PTO AND TEACHERS**

At Eisenhower School, the spirit of giving was certainly obvious in Mrs. Dawn Schwartz's second-grade class this holiday season. Her class, with the help of the Eisenhower School PTO and other teachers in the building, collected over 250 stuffed animals for an organization called SAFE; Stuffed Animals For Emergencies. This organization redistributes the animals to Police, Fire & Rescue, Ambulance Services, Children's Homes, Hospitals, Life Flight and others to help children who are suffering from traumatic and emotional situations. Special thanks to one of our PTO parents, Theresa McDonnell, who graciously offered to deliver our stuffed animals to the SAFE Organization in Bronx, New York.
