

Sayreville Public Schools

P.O. Box 997, Sayreville, New Jersey 08872

September 2011

Dear Parents/Guardians:

During the school year there are days scheduled for **early dismissal** at 1:15 p.m. In addition, there have been occasions where it has been necessary to close schools early because of inclement weather or an emergency. For announcements regarding school closings and/or delayed openings because of inclement weather or other emergencies, please listen to such radio stations as WCTC, 1450 AM, WMGQ, 98.3 FM and NJ 101.5 FM. **Please note:** emergency closings will also be posted on the district Web site, www.sayrevillek12.net. Please do not call the school or district switchboard operator in order to keep the phone lines open for emergency calls.

It is most important that you plan for an early dismissal or an emergency situation. Please make arrangements for and with your child so that he/she will know exactly where to go and what to do in the event you are not at home. This is particularly true for working parents.

The starting time for all elementary schools on days of **delayed openings** will be 10:15 a.m. It is essential that you adhere to the aforementioned time rather than the time that might be announced by the radio station. Buses will begin picking up students at approximately 9:45 a.m.

On these days, walkers should arrive at school at 10:05 a.m. Please remember that the starting time is 10:15 a.m.

On days when we have a delayed opening, school will be dismissed at the customary time of 3:00 p.m.

Sincerely,

Elementary Principals
