

DISTRICT HIGHLIGHTS

Joseph Bera III

Number 11
April 7, 2004

- We would like to publicly thank the Sayreville Thursday Senior Club which donated \$200.00 to the Project Before classes at Selover School. Each year these seniors donate money to the special education children of Sayreville and for the fourth year in a row they have chosen Project Before. The donation will be used to purchase equipment which can be used by all four classes.
- I am proud to announce that the Sayreville Schools have been selected by the Department of Education as a pilot program in the development of the NJ SMART Program. NJ SMART is the new computerized data collection system for annual reports such as the NJ School Report Card and Fall Data Survey. We are one of only twelve school districts in the state to be selected. This honor comes largely due to the expertise of Karen Waranowicz, a member of the district's technology department.
- Congratulations to the following students and coaches for having won Greater Middlesex Conference honors for winter sports:

Boys' Basketball	-	Patrick Ryan, All White Division
Girls' Basketball	-	Sportsmanship Award White Division
Boys' Winter Track	-	Trini Flavaney, All White Division & All Conference Daniel Louis, All White Division Donald McCoid, All White Division Jeffrey Toth, All White Division Coach William Scarola, White Division Coach of Year
Girls' Winter Track	-	Alicia Hughes, All White Division Simone Saxon, All White Division Alison Wilhelm, All White Division
