- I am pleased to announce that Christine Meyer, Paymaster, has received the 2005 NJEA County ESP of the Year for Middlesex County.
- The Arleth School Willabees, chaired by Ms. Jami Grossmann and Ms. Meredith Pisaeno, were recently visited by Detective Joseph Wolski and K-9 Cody of the Sayreville Police Department. Detective Wolski spoke to the children about illegal drugs and provided the children with a demonstration of Cody's drug sniffing skills. Our thanks to Detective Wolski and K-9 Cody for teaching our children.
- Many thanks to the Truman School students and their families for the overwhelming support of a service project, "Children Helping Children." Because of everyone's kindness and generosity, they raised \$1,513.34 for victims of the tsunami disaster. The money collected is being donated to UNICEF. Once again, Harry S. Truman School has made a difference by reaching out to help others less fortunate.
- Congratulations to Paulette Hudock, TAG teacher at the Wilson School, for her "TAG Star Party." This evening provided an opportunity for the students and parents to observe the stars. A job well done!
- Hats off to the Upper Elementary TAG students who have been working on their "City Projects" research project. Each team has been researching other cities and towns of the United States which are comparable to their own. This project will be judged by District Administrators, Mayor Kennedy O'Brien, Members of the Borough Council, Planning Board and Members of the Board of Education.
