September 20, 2005

- We are pleased to announce that all district schools have met their NCLB Title III objectives related to the development and attainment of English proficiency and state academic content standards for 2004-05. Congratulations to our ESL teachers, Jodi Fink, Tamara McAllister and Marc Schroeder.
- The Girls' Soccer Program is proud to announce that due to the efforts of this community, the Katrina Relief Car Wash raised a record \$2,300 for the hurricane victims.
