TRUMAN STAFF AND STUDENTS

MS. JENNIFER SWENTICKY

MS. KATE ZEBROWSKI

The students and staff of Truman Elementary School attended The Seeing Eye assembly in March and in April continued with this program and are now participating in a fundraiser for the Seeing Eye Dog Organization called Pennies for Puppies, under the direction of Ms. Jennifer Swenticky and Ms. Kate Zebrowski. This organization was pleased to have Truman Elementary School participate in this wonderful program and have chosen a puppy for Truman to sponsor. The puppy's name is Clancy, an 8-9 week old chocolate Labrador Retriever. The funds collected through the Pennies for Puppies Program will allow Clancy to live with a family of his very own for the next 12-14 months as part of the Puppy Raising Program. During that time he will receive love, gentle guidance, socialization, and exposure in preparation for his formal training, which begins immediately following the completion of the Puppy Raising Program. Once Clancy completes his formal training, he will be matched with a person who is visually impaired. Truman School will receive updates on Clancy as he embarks on this wonderful journey to make a difference in the lives of others.

SAMSEL SCHOOL STAFF AND STUDENTS

On April 17th, 18th and 19th, a fundraiser was held to benefit the Operation Smile Organization at the Samsel Upper Elementary School. During their lunch period, students took fun pictures with their friends for a donation. A total of \$724 was raised for this worthy cause. This amount is enough to pay for three operations for children in need. Operation Smile is a nonprofit organization that provides free surgery to underprivileged children born with cleft lips and cleft palates.
