

## Obtaining OnCourse Connect Username and Password For Preschool, Kindergarten, and new students in grades 1-12

The Sayreville School District is in the process of launching a new Student Information System, which includes a new and improved Parent Portal called OnCourse Connect. This will replace the PowerSchool Parent Portal and mobile app. The OnCourse Connect Parent Portal is a secure web based application that provides parents and guardians with real time student information, including: student schedules, attendance, bus routes, and grades. It is also a place to complete the annual enrollment update and to provide contact information changes during the school year.

In order to use the Parent Portal, you will need a device with internet access and an OnCourse Connect account.

If you have already received an OnCourse Connect letter as the parent/guardian of a returning student in grade 1-12, you should already have access to any Preschool, Kindergarten, or new registrations using your existing username and password. If you are already able to access OnCourse Connect, but you do not have access to all the appropriate students, please email [parent.portal@sayrevillek12.net](mailto:parent.portal@sayrevillek12.net) to resolve any conflicts. If you already have an OnCourse connect account and all your students are available, no further action is required at this time.

Currently, there is minimal information available in the OnCourse Connect Parent Portal. The Sayreville School District encourages you to obtain your login information using the below directions, set your new password, and verify that you are associated with all of the students for which you are the guardian. If you find any errors, or if you are missing students from your OnCourse Connect account, please email [parent.portal@sayrevillek12.net](mailto:parent.portal@sayrevillek12.net) and we will resolve any guardian link errors that may exist. You can preview the full OnCourse Connect system from this demonstration video <https://oncoursystems.wistia.com/medias/rgbtw1285z>

If you have any technical questions, or other problems pertaining to the OnCourse Connect Parent Portal, please e-mail [parent.portal@sayrevillek12.net](mailto:parent.portal@sayrevillek12.net) . Additional information on OnCourse Connect can be found on our district website, including information on how additional parents and guardians can be issued their own OnCourse Connect account: <http://www.sayrevillek12.net/parents/registration>

### Directions for Obtaining OnCourse Connect Username and Password

- Visit the website <https://oncourseconnect.com>

- Click the link that says “Forgot password”

Forgot password?

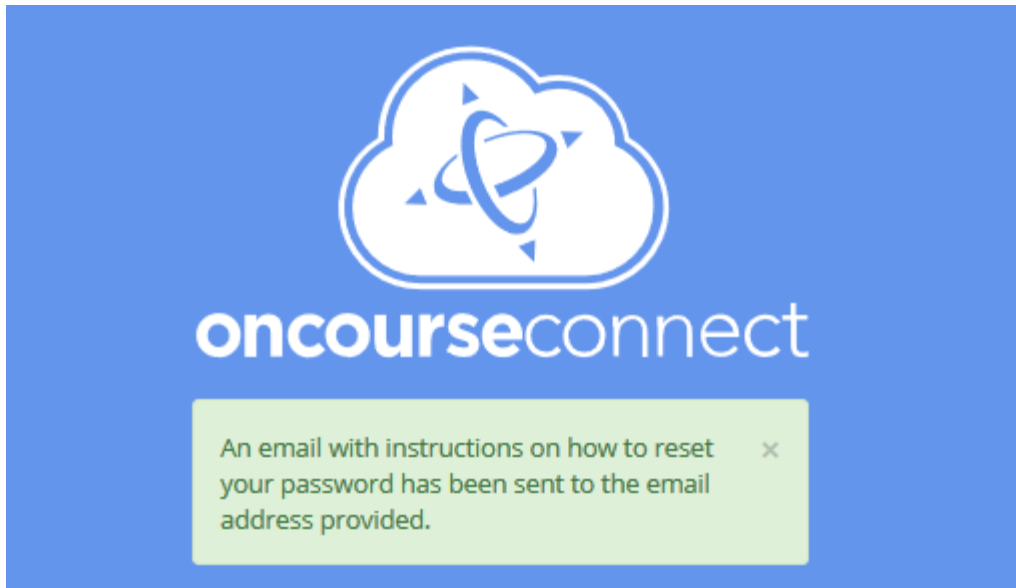

- Enter the email address that you used during the new student registration process.
  - If your email address is not registered with the Sayreville School District using OnCourse you will not be able to obtain a username and password through this process. If your email address was not included in your child’s records during the initial registration process, please email [parent.portal@sayrevillek12.net](mailto:parent.portal@sayrevillek12.net) to obtain a username and password.

- Once you have entered an email address that was previously recorded with the Sayreville School District, click the “Recover Password button.”

- When you press the “Recover Password” button, you should receive the following message on the webpage:

- Check the email address that you entered. Please make sure to check your inbox and spam/junk box. Within a matter of minutes, you should receive an email from OnCourse Support at the email address [noreply@oncourseconnect.com](mailto:noreply@oncourseconnect.com) with the subject OnCourse Password Reset.
  - If you do not receive an email, this indicates that your email address is not on file with the Sayreville School District OnCourse System
  - Your email address may not be on file if:
    - You used a different email address during the registration process
    - Your email was typed incorrectly during the registration process
    - The guardian that completed the registration process did not list you/your email address during the registration process
    - During the registration process, your account was not checked off as having access to the OnCourse Connect portal
    - Your registration file has not been finalized by the Sayreville School District
  - For questions or concerns please email [parent.portal@sayrevillek12.net](mailto:parent.portal@sayrevillek12.net)
