c. I will confine my board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.

e. I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.

f. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
