SAYREVILLE PUBLIC SCHOOLS, GMC, AND NJSIAA SPECTATORS PROTOCOLS

Outdoors (Executive Order No. 234):

All athletic practices and competitions conducted outdoors are subject to the outdoor gathering limit of 200 persons. Athletes, coaches, referees, trainers and other individuals who are necessary for the practice or competition are not included in the 200 persons gathering limit. Under the Order, parents/guardians are not “necessary for the event” for outdoor events, and therefore should be calculated in the 200 person limit.

Spectators MUST wear masks at all times on campus or near any fields.

Social distancing in seats or bleachers will be monitored.

Spectators must remain at least 6 feet away from any fences or areas of the field.

Many fields may be removing or have limited bleacher seating, please bring your own chairs.

Players will keep their distant from the spectators, NO on field interaction before, during, or after the game. Spectators should leave immediately after the game.

All Code of Conduct rules still apply. Appropriate Cheering is welcomed – but you may not lower your mask to do so.

If a game is taped, it will be available on the District website.
