

Dear Parent/Guardian:

This is a reminder that the Free/Reduced Breakfast/Lunch Application is available on the Sayreville's Food Services website. We encourage each household to please fill out the application to see if your child can receive these benefits. Below is a sample screenshot of the page for your reference. **This application must be filled out yearly** and you have until October 18<sup>th</sup> to receive roll over benefits from the prior year. Please reach out to the café department if you should have any further questions.

The screenshot shows the top section of the application website. It features a blue header with the text "2019-2020 Sayreville Public Schools Online Free and Reduced Application" on the left and "Privacy / Terms" on the right. ## Welcome to the Free and Reduced Priced Meal Application!

### Before you begin...

there are a few things you should know.

If you received a letter from the school saying that your children were automatically approved (directly certified) for free meals for the 2019-2020 school year because someone in your household participates in Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR), then you do not need to submit an application.

We need only one application for all children in your household that attend school in Sayreville Public Schools.

Eligibility for free or reduced priced school meals benefits is based on any one of these three things:

- your total household income and size in the month the application is filled out, or the month before, or
- your child's individual status as foster, homeless, migrant, or runaway, or
- participation in an assistance program by any member of your household

Your US citizenship or immigration status does not affect your eligibility for free or reduced price benefits.

If you have any questions at any point during the application, click Help to get help with the current section.
