Websites for Teaching and Learning Math

These websites provide standards-based math curricula, practice activities and games, assessment tools.

- 1. Khan Academy
- 2. Sheppard Software
- 3. Fun Brain
- 4. Math Playground
- 5. illustrative Mathematics
- 6. Dr. Milou math resources

One of the best ways to exercise math thinking is to engage in problem solving and logical thinking exercises. There are fascinating videos from TedEd called <u>Math in Real Life</u>. These videos would be great for viewing as a family and then discussing and solving together.

<u>Summer Math Loss</u> by Leah Shafer is an excellent article on "Why kids lose math knowledge, and how families can work to counteract it".
